Representative Pine rose to speak in support of the measure with reservations, stating:

"With reservations on this, Mr. Speaker, and a couple comments. What this bill does is it gives children in the foster care system the option to remain under the jurisdiction of the Family Court system even after the age of 18, until they turn 21. I really appreciate the intent of the bill. I think in listening to the testimony what concerned me more was that while the intent was to make sure that our foster children are prepared for the transition to adulthood, we in fact are extending it even further.

"And so that tells something to me, that perhaps we're not focusing on the correct issue and that we need to do a better job preparing our foster children at an even earlier age. I'm happy that this bill does kind of move it back a little bit, two years, but I really hope that we can prepare them by 18 because at 18, they can go off to war and fight for their country. They can make that decision and we should allow them to make other decisions for themselves as well."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 726, HD 1, entitled: "A BILL FOR AN ACT RELATING TO FOSTER CHILDREN," passed Second Reading and was referred to the Committee on Judiciary, with Representative Cabanilla being excused.

ANNOUNCEMENTS

Representative Cabanilla: "Thank you, Mr. Speaker. Today is a very special day for the Filipino Caucus. We're going to have picture taking right after this session. And briefly I would like to explain to you what these outfits are made of, or what they're for. It's the equivalent of a formal attire for the Filipinos. It's something that we wear during weddings, and for the Filipino Congress this is the attire. This is formal attire for them. It's made of pineapple fiber so there's some correlation with Hawaii.

"The other announcement I would like to make is that we're cancelling the Filipino Caucus meeting today because there's no update. Thank you."
